**A killer crosses over...**

Ace magician turned ace police detective Joe Bailey, a.k.a. the Spirit Basher, needs all his expertise when he's teamed up with psychic investigator Monica Gaines to crack a string of serial murders--each involving strange voices and stranger circumstances. Monica senses supernatural forces at work, but whoever--or whatever--is doing the killing, the victims are real. When eerie happenings hit closer to home--to Joe's daughter, Nikki--and then Monica herself is the victim of a grisly, near-fatal attack, Joe is more determined than ever to unmask the truth behind the phenomena. As he searches for answers to inexplicable questions, he discovers that politics and the paranormal make deadly bedfellows, that his escape-artist skills still come in handy--and that even a psychic can know too much.
