Dr Atomic's Marijuana Multiplier (2 ed.) Adam Gottlieb

First published in the early 1970s, *Dr. Atomic's Marijuana Multiplier* demonstrates the playfulness characteristic of those long gone times. Larry Todd's Dr. Atomic, a well-loved underground character, walks the reader through the process of turning low-grade weed into high-quality smoke. With today's advanced growing techniques and high-grade seeds, most indoor marijuana provides a powerful smoke without Dr. Atomic's stove-top process.

Dr. Atomic's Marijuana Multiplier is adult literature and not for children. The solvents used can be explosive and the reader is cautioned that it is offered as a historical novelty and archive of underground culture and not a recommended how-to process. Nonetheless, marijuana enthusiasts will find Dr. Atomic's amusing manual a unique addition to their library.
