## Lost Hearts in Italy: A Novel Andrea Lee

The Italian phrase *Mai due senza tre*—"never two without three"—forms the basis of Andrea Lee's spellbinding novel of betrayal. Sophisticated and richly told, *Lost Hearts in Italy* reveals a trio caught in the grip of desire, deception, and remorse.

When Mira Ward, an American, relocates to Rome with her husband, Nick, she looks forward to a time of exploration and awakening. Young, beautiful, and in love, Mira is on the verge of a writing career, and giddy with the prospect of living abroad.

On the trip over, Mira meets Zenin, an older Italian billionaire, who intrigues Mira with his coolness and worldly mystique. A few weeks later, feeling idle and adrift in her new life, Mira agrees to a seemingly innocent lunch with Zenin and is soon catapulted into an intense affair, which moves beyond her control more quickly than she intends. Her job as a travel writer allows clandestine trysts and opulent getaways with Zenin to Paris, Monte Carlo, London, and Venice, and over the next few years, now the mother of a baby daughter, she struggles between resisting and relenting to this man who has such a hold on her. As her marriage erodes, so too does Mira's sense of self, until she no longer resembles the free spirit she was on her arrival in the  
on her arrival in the Eternal City.

Years later, Mira and Nick, now divorced and remarried to others, look back in an attempt to understand their history, while a detached Zenin assesses his own life and his role in the unlikely love triangle. Each recounts the past, aided by those witness to their failure and fallout.

An elegant, raw, and emotionally charged read, *Lost Hearts in Italy* is a classic coming-of-age story in which cultures collide, innocence dissolves, and those we know most intimately remain foreign to us.

*From the Hardcover edition.*
