When young Sebastian Brambani meets a sexy and exciting older man, he's easily seduced. But for spy Kyle Grant, it's all business. Sebastian is simply a pawn in Kyle's mission to acquire a dangerous chemical weapon from Sebastian's criminal father. Kyle's life is his work for a shadowy international agency protecting the world from evil, and he can't worry about what will happen to Sebastian when the job is done.

Sebastian's unwitting role in Kyle's plan is the last straw for his ruthless father, who has been embarrassed by his gay son for the last time. But when Kyle discovers Sebastian could be the key to finding the deadly Chimera, he rescues him from a hired hitman and fights to keep him alive. Can a hardened spy and a naïve college student take down a criminal kingpin, stay one step ahead of the killers on their trail--*and* fight the scorching attraction between them?
