**Americans in Waiting: The Lost Story of Immigration and Citizenship in the United States** Hiroshi Motomura

Although America is unquestionably a nation of immigrants, its immigration policies have inspired more questions than consensus on who should be admitted and what the path to citizenship should be. In *Americans in Waiting*, Hiroshi Motomura looks to a forgotten part of our past to show how, for over 150 years, immigration was assumed to be a transition to citizenship, with immigrants essentially being treated as future citizens--Americans in waiting. Challenging current conceptions, the author deftly uncovers how this view, once so central to law and policy, has all but vanished. Motomura explains how America could create a more unified society by recovering this lost history and by giving immigrants more, but at the same time asking more of them. A timely, panoramic chronicle of immigration and citizenship in the United States, *Americans in Waiting* offers new ideas and a fresh perspective on current debates.
