One Palestine, Complete: Jews and Arabs Under the British Mandate Tom Segev

A panoramic and provocative history of life in Palestine during the three strife-torn but romantic decades when Britain ruled and the seeds of today's conflicts were sown

Tom Segev's acclaimed works, *1949* and *The Seventh Million*, overturned accepted views of the history of Israel. Now Segev explores the dramatic period before the creation of the state, when Britain ruled over "one Palestine, complete" (as noted in the receipt signed by the High Commissioner) and when its promise to both Jews and Arabs that they would inherit the land set in motion the conflict that haunts the region to this day.

Drawing on a wealth of untapped archival materials, Segev reconstructs a tumultuous era (1917 to 1948) of limitless possibilities and tragic missteps. He introduces the legendary figures--General Allenby, Lawrence of Arabia, David Ben-Gurion--as well as an array of pioneers, secret agents, diplomats, and fanatics. He tracks the steady advance of Jews and Arabs toward confrontation and with his hallmark originality puts forward a radical new argument: that the British, far from being pro-Arab, as commonly thought, consistently favored the Zionist position, and did so out of the mistaken--and anti-Semitic belief that Jews turned the wheels of history.

Rich in unforgettable characters, sensitive to all perspectives, *One Palestine, Complete* brilliantly depicts the decline of an empire, the birth of one nation, and the tragedy of another.

Jonathan Leake:

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's heart and soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring as well as can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this One Palestine, Complete: Jews and Arabs Under the British Mandate can make you experience more interested to read.
