The English Rite, Vol. 1: Being a Synopsis, of the Sources and Revisions, of the Book of Common Prayer, With an Introduction and an Appendix (Classic Reprint) F. E. Brightman

Excerpt from The English Rite, Vol. 1: Being a Synopsis, of the Sources and Revisions, of the Book of Common Prayer, With an Introduction and an Appendix

I have here added another to the series of attempts which have been made, by a variety of methods, to exhibit distinctly the exact relations in which the chief recensions of the Book of Common Prayer stand to one another. In form it approximates most nearly to Edw. Cardwell's Two Books of Common Prayer and W. Keeling's *Liturgiae britannicae*. But the former of these covers only the books of 1549 and 1552; while the latter, though in one direction larger in scope than my own attempt, has seemed to me capable of being improved upon in several ways. In order to describe the aim and character of the present Synopsis it will be convenient to compare it with *Liturgiae britannicae*.

I. The latter shares with most synopses of nearly related texts that one meets with the defect that the columns do not correspond in detail, but each column pursues its own course continuously and independently; with the result that an omission or an addition in any column throws the scheme out of gear, and, in order to grasp the relation of the several columns to one another, the eye or the finger or the pen has to follow a devious path across the pages.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
