There's a stalker on the lose at the mall—and there's no safe place to hide

Working at the mall is supposed to be fun. Trish's job at Muffin-Mania is hardly intellectually challenging and her boss is a piece of work, but it's worth it to have a job in the same building as her two best friends, the Hanson twins. And the hot guys who hang out there are an added bonus. But something isn't right about this mall.

It's the oldest mall in the state, remodeled over a dozen times without rhyme or reason, and there are many strange nooks and secret passages behind the bright gleaming storefronts. Someone has been stealing housewares, furniture, and food, and now a mysterious man with ash-gray hair and a whisper-soft voice has started harassing Trish on the phone. He knows her secrets, and he has dark plans for her.
