Miranda has come here with her dad to meet her grandmother, whose cheerful energy conceals failing health. Miranda has been dreading this family vacation, but what she finds on Turtle Island will change her life forever.

Her grandmother is the self-appointed guardian of the local marsh, a swampy wonderland whose very existence is in jeopardy. A passionate photographer, Miranda plans only to document the landscape. But when a mysterious young boy named Adam draws her into the fight for the marsh's future, she learns that saving the environment can be a matter of life or death.
