For the witch whose career confines them to an urban environment, regular Craft practice may often seem like a futile gesture, especially if home is a small, gardenless-flat. Even the suburbs can be magically incapacitating, if there is constant noise from traffic and neighbours. People work long hours without having the opportunity to notice the subtle changing of the seasons. Weekends are a constant battle with family, domestic chores and socialising. It's no wonder that the urban witch has little time left for magical and spiritual development. Traditional Witchcraft for Urban Living deals with the constant barrage of psychic problems that confront the urban witch on a daily basis. Based on the teachings of a traditional Craft background, the author successfully manages to blend the Old Ways with practical contemporary practice. This book is part of the Traditional Witchcraft Series. Other titles in the series are Traditional Witchcraft for the Seashore (Jan 2012), Traditional Witchcraft for Fields and Hedgerows (Mar 2012) and Traditional Witchcraft for the Woods and Forests (Mar 2012).
