*Rodrigo Rey Rosa*

**Los sordos (Spanish Edition)** Rodrigo Rey Rosa

It begins with two disappearances: that of a deaf boy from a small town in Guatemala, and of Clara, the daughter of a rich banker and “kindly tyrant.” Is there a connection between the disappearances? What roles do Clara’s lover and family lawyer, her bodyguards, and the doctors in a shady hospital play in it? Can any form of love and justice exist amidst violence? *Los sordos* is a absorbing thriller and a ruthless portrait of today’s Guatemala. “Rey Rosa is a consummate master, the best of my generation.” Roberto Bolaño
