**My Parents Were Awesome: Before Fanny Packs and Minivans, They Were People Too**

**NEWSFLASH:** Your mom and dad weren't always parents. They used to be people—and they were *awesome*

They bathed you. They fed you. They raised you to become the person you are today. Your parents are an integral part of your story. But guess what? They have a story too—one that started long before you entered the picture. Before embarrassing fanny packs and Lite FM, there was a time when Mom and Dad were young and carefree—just like you. They were also fun and flirty, full of hope and desire and effortlessly cool.

Based on the wildly popular website, *My Parents Were Awesome* shares heartwarming and hilarious essays by sons and daughters—including Jamie Deen, Christian Lander, Dave Itzkoff, Katherine Center, Laurie Notaro, and Holly Peterson—who tell tales of their folks before babies, mortgages, and receding hairlines: the mom and dad who traveled by VW bus to see Led Zeppelin for \$1, the grandmother whose halter top and shorts belied her perfect demeanor, the father whose wanderlust passed down to his equally nomadic daughter. Accompanied by treasured vintage photographs, these stories will make you laugh, melt your heart, and spark your own reflections of Mom and Dad.

*From the Trade Paperback edition.*
