Return To Wonderland: 2009 Annual Dan Wickline

In the first-ever Wonderland Annual Dan Wickline (30 Days of Nights) brings you a tale of madness and horror unlike any seen before in the pages of Zenescope's hit Wonderland series. Once upon a time a young girl name Alice went to a place called Wonderland. It was a place that wasn't very nice. She came back and had a nice little family and then her daughter, Callie went to Wonderland too and soon their nice little family was no more. Now a new family has moved into the Liddell house but Wonderland is still there trying to get out - and it doesn't like the new tenants!
