Cassidy DiRocco knows the dark side intimately--as a crime reporter in New York City, she sees it every day. But since she discovered that she's a night blood, her power and potential has led the dark right to her doorway. With her brother missing and no one remembering he exists, she makes a deal with Dominic Lysander, the fascinating master vampire of New York, to find him.

Dominic needs the help of Bex, another master vampire, to keep peace in the city, so he sends Cassidy to a remote, woodsy town upstate to convince her--assuming she survives long enough. A series of vicious "animal attacks" after dark tells Cassidy there's more to Bex and her coven than anyone's saying. That goes double for fellow night blood Ian Walker, the tall, blond animal tracker who's supposed to be her ally. Walker may be hot-blooded and hard-bodied, but he's hiding something too. If Cassidy wants the truth, she'll have to squeeze it out herself... every last drop.
