Manuel Munoz's dazzling collection is set in a Mexican-American neighborhood in central California—a place where misunderstandings and secrets shape people's lives. From a set of triplets with three distinct fates to a father who places his hope—and life savings—in the hands of a faith healer, the characters in these stories cross paths in unexpected ways. As they do, they reveal a community that is both embracing and unforgiving, and they discover a truth about the nature of home: you always live with its history. Munoz is an explosive new talent who joins the ranks of such acclaimed authors as Junot Diaz and Daniel Alarcon.
