## **The Ferrari in the Bedroom** Jean Shepherd

Jean Shepherd was one of America's favorite humorists, his most notable achievement being the creation of the indefatigable Ralphie Parker and his quest for a BB gun in the holiday classic *A Christmas Story*. But he was so much more, a comic Garrison Keillor-like figure whose unique voice transcended the airwaves and affected a whole generation of nostalgic Americans.

*The Ferrari in the Bedroom* is Shepherd's wry, affectionate look at the hang-ups and delusions of Americans in the 1970s. From his sardonic assessment of fads such as the nostalgia craze ("Thinking that the old days were good is a terrible sickness. Everything was just as bad then as it is now.") to a modest proposal for the foundation of S.P.L.A.T. (The Society for the Prevention of the Leaving of Animal Turds), Jean Shepherd provides a generous measure of his special brand of wise and warm humor as an antidote for some of America's more ridiculous obsessions.
