The Soul's Religion Thomas Moore

In this, companion volume to his worldwide bestseller, *Care of the Soul*, Thomas Moore offers a way of living in this new and confusing century. Drawing on faiths from all over the world, as well as from his own vast well of knowledge and personal experience, Moore shows us how religion can be used to embrace others, rather than exclude them. He helps us become comfortable with our doubts, and reveals a liberating truth -- it is in the dark corners of the soul that true faith is born. Intimate and provocative, Moore writes with the compassion of a parent and the wisdom of a true teacher.
