## **Daily Devotional: A Return to the Hebrew Roots of the Christian Faith** Chavah

This 30 day devotions book is a collection of thoughts and prayers gathered over the course of several years. They are written from a Hebraic perspective; understanding that the Father is calling us back to the Hebrew roots of Christianity. A return to keeping the Feasts of the Lord and His Sabbaths. Sometimes they were my conversations with God. Some days I would pour out my thoughts. Other days I would listen. Some days you will see just those thoughts that I had. But on the days when my Beloved chose to say something in return to me I wrote that also. Those words I have put in italics so as to distinguish them from my thoughts and words. Are these words prophetic? Only time will tell. I believe that all the words that Yahweh speaks to us are prophetic in that they have the power to change us if we will listen. So I humbly submit them to you. I hope you are blessed as I was blessed receiving them.
