Deliver Us From Evil Cindy Jacobs

Occult influences march freely across the American landscape today. From Pokemon cards and Buffy the Vampire Slayer to Marilyn Manson and psychic hotlines, the nation is under siege. Occult beliefs--presented as the path to enlightenment and peace--permeate our society, powerfully influencing our children, our neighbors, our government, and even our churches. Cindy Jacobs reveals the deadly impact of Satan's dominion over the media and the resulting rise in violence and immorality that plague our society. She then shows how through prayer, spiritual warfare, and activism we can halt the destructive advance of the devil's kingdom in the land.
