## Game of Clones (The Clone Chronicles) M. E. Castle

"A funny James Bond for the middle school set," Game of Clones mixes Alex Rider and Michael Buckley's NERD series into the ideal formula for a third installment in the hilarious and rollicking middle-grade adventure series The Clone Chronicles.

Fisher Bas was able to track down his gone-Hollywood Clone?Two?but only with the help of Amanda Cantrell. Now "Three" and Dr. X remain on the loose. If Fisher is going to stop his secret from coming out, he'll have to figure out a cover for his brother clone and keep Three from helping Dr. X take over the world. That proves much harder as Fisher is no longer able to keep Two a secret and crazy things start happening at Wompalog Middle School. Turns out Three has come to Palo Alto bent on eliminating Fisher and Two. The boys will have to pull together their friends and an unlikely ally to stop Three and his clone army. The future of Fisher and Two's hometown depends on it.
