*Improvisational Negotiation* presents an original approach for mediators, negotiators, and other dispute resolution professionals. Drawing on his own experience plus those of his colleagues, Jeffrey Krivis offers the reader dramatic, well-crafted, and highly instructive stories about people in conflict - families, organizations, corporations - and shows how mediated negotiations help them to reach a successful resolution.

Unlike most books on the topic, *Improvisational Negotiation* does not focus on theory, philosophy, or formulaic procedures. The book highlights entertaining true stories that illuminate the skills and tools a good mediator uses to direct a successful negotiation and then asks the questions: What happened? and What strategies can we learn?
