Federico Bonaglia, Vincenzo de Luca

La cooperazione internazionale allo sviluppo (Farsi un'idea) (Italian Edition) Federico Bonaglia, Vincenzo de Luca

Nel mondo una persona su quattro vive oggi con meno di un dollaro al giorno.

Povertà non è solo mancanza di reddito, ma anche di salute, istruzione e partecipazione alla vita sociale. Questa situazione drammatica rende la promozione dello sviluppo una priorità imprescindibile per la comunità internazionale, non solo per ragioni etiche, ma anche per garantire la stabilità politica ed economica globale. Nel volume, dopo una breve ricostruzione delle varie fasi della politica di cooperazione, si indagano - anche attraverso casi di successo e di insuccesso - le politiche messe in atto dai paesi sviluppati, che non vanno confuse con la semplice assistenza umanitaria ma che richiedono impegno e responsabilità anche da parte dei paesi beneficiari. Ci si sofferma infine sull'atteggiamento dell'Italia, una presenza significativa nello stanziamento di fondi ma che potrebbe fare meglio e di più.
