Pygmalion (Enriched Classics)

George Bernard Shaw

Pygmalion (Enriched Classics) George Bernard Shaw

When George Bernard Shaw wrote *Pygmalion* more than a half century ago, no one could have predicted his play would eventually be converted into one of the great musicals of our time -- *My Fair Lady* -- and an Academy Award³-winning motion picture. Generations of readers and theatergoers have found relevance in Shaw's story of speech therapist Henry Higgins, who successfully transforms Liza Doolittle, a "draggletailed guttersnipe," into a darling of high society who momentarily upsets his hard-edged reserve. The extraordinary wit of this master dramatist of the twentieth century cuts away at the artificiality of class distinctions to reveal that human clay can be molded into wondrous shapes.

Washington Square Press' Enriched Classics present the great works of world literature enhanced for the contemporary reader. This edition of *Pygmalion* includes the analysis of Eric Bentley from his book *Bernard Shaw*. Essential biographical and historical background is provided, together with notes, critical excerpts, and suggestions for further reading. A unique visual essay of period illustrations and photographs helps bring the play to life.
