**The Shift** Dr. Wayne W. Dyer

*The Shift*—the book inspired by the movie of the same name—illustrates how and why to make the move from ambition to meaning. Experience the internationally renowned principles and teachings of Dr. Wayne W. Dyer as they come to life in this one-of-a-kind enhanced e-book. Download *The Shift* and allow these lessons to guide you down a more authentic and rewarding path today. As we contemplate leaving the morning of our life, where ego has played a commanding role, and entering the afternoon (and evening), where meaning and purpose replace ambition and struggle, we may encounter unexpected occurrences that accompany this new direction. It's almost a universal law that we'll experience a fall of some kind. Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose. *The Shift* doesn't mean that we lose our drive and ambition; it signifies that we become ambitious about something new. We make a commitment to living a life based on experiencing meaning and feeling purposeful, rather than a life based on never-ending demands and false promises that are the trademark of the ego's agenda.
