**Voyagers of the Titanic: Passengers, Sailors, Shipbuilders, Aristocrats, and the Worlds They Came From** Richard Davenport-Hines

“An astonishing work.”

—Julian Fellowes, Creator and Executive Producer of “Downton Abbey”

“A book well worthy of marking the centenary of the crystal-clear night when the immense ship slid to her terrible doom.”

—Simon Winchester, *New York Times* bestselling author of *The Professor and the Madman*

It has been one hundred years since the sinking of the passenger liner Titanic in the North Atlantic, yet worldwide fascination with the epic tragedy remains as strong as ever. With *Voyagers of the Titanic*, Richard Davenport-Hines gives us a magnificent history of the people intimately connected with the infamous ship—from deal-makers and industry giants, like J.P. Morgan, who built and operated it; to Molly Brown, John Jacob Astor IV, and other glittering aristocrats who occupied its first class cabins; to the men and women traveling below decks hoping to find a better life in America. Commemorating the centennial anniversary of the great disaster, *Voyagers of the Titanic* offers a fascinating, uniquely original view of one of the most momentous catastrophes of the 20th century.
