## **Evangelical Catholicism: Deep Reform in the 21st-Century Church** George Weigel

The Catholic Church is on the threshold of a bold new era in its history. As the curtain comes down on the Church of the 16th-century Counter-Reformation, it rises on the Evangelical Catholicism of the third millennium: a way of being Catholic that will send the faithful into mission territory every day—a territory increasingly defined by spiritual boredom and aggressive secularism. In *Evangelical Catholicism*, Catholic theologian George Weigel proposes a program of faith-based reform that confronts these challenges head on. An urgent call to arms, *Evangelical Catholicism* reminds Catholics of the evangelical vocation into which they were baptized and of the joy and courage that comes from living on this side of the Resurrection.
