Everyday Surveillance: Vigilance and Visibility in Postmodern Life William G. Staples

When we think of surveillance in our society, we usually imagine “Big Brother” scenarios with the government tracking our every move. The actual surveillance of our everyday lives is much more subtle, however, and may be more insidious. William G. Staples shows how our lives are tracked by both public and private organizations—sometimes with our consent, and sometimes without—through our internet use, cell phones, public video cameras, credit cards, license plates, shopping habits, and more. *Everyday Surveillance* is a provocative exploration of the myriad ways we are watched each day, and how this surveillance shapes our lives.

Thoroughly revised, the second edition considers new topics, such as the rise of social media, and updates research throughout. *Everyday Surveillance* introduces students to concepts of social control and incites classroom discussion about how surveillance impacts the ways we understand people and our lives at home, work, school, or in the community.

From reader reviews:

William Grimm:

Reading a guide can be one of a lot of pastime that everyone in the world likes. Do you like reading book so. There are a lot of reasons why people enjoy it. First reading a reserve will give you a lot of new info. When you read a book you will get new information because book is one of many ways to share the information or even their idea. Second, reading through a book will make an individual more imaginative. When you looking at a book especially fictional works book the author will bring one to imagine the story how the character types do it anything. Third, it is possible to share your knowledge to other folks. When you read this Everyday Surveillance: Vigilance and Visibility in Postmodern Life, you can tells your family, friends in addition to soon about yours reserve. Your knowledge can inspire the others, make them reading a book.

Coralee Lowe:

Reading a book to be new life style in this 12 months; every people loves to go through a book. When you study a book you can get a large amount of benefit. When you read textbooks, you can improve your knowledge, since book has a lot of information on it. The information that you will get depend on what types of book that you have read. If you would like get information about your research, you can read education books, but if you want to entertain yourself read a fiction books, these us novel, comics, and soon. The Everyday Surveillance: Vigilance and Visibility in Postmodern Life will give you new experience in examining a book.

Thomas Evans:

Is it you who having spare time after that spend it whole day by simply watching television programs or just lying down on the bed? Do you need something new? This Everyday Surveillance: Vigilance and Visibility in Postmodern Life can be the answer, oh how comes? A fresh book you know. You are and so out of date, spending your free time by reading in this completely new era is common not a geek activity. So what these books have than the others?

Linda White:

As a student exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some guide, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Everyday Surveillance: Vigilance and Visibility in Postmodern Life can make you feel more interested to read.
