When Far Hills Junior High becomes the subject of a documentary, everyone is star struck—except Madison

Maddie's friends all think her mom has a glamorous job, but Maddie has mixed feelings. She thinks it's neat that her mom makes important movies about things like gorillas and travels to exciting places. But ever since the Big D, her mother works more than ever.

When her mom's film crew shows up at Far Hills to document middle school life, everyone wants a piece of the limelight—everyone but Maddie. It's hard having Mom at school—especially when she never has time for Madison at home. Can Maddie remind her mom to make time for her, too?
