Hayley's first performance as 'Little Star' in a Christmas play was perfectly pitched, beautifully sung and enthusiastically received. She was six years old.

Now, at the tender age of twenty, she is the fastest-selling debut classical artist ever. Her string of musical accolades is astonishing and her audiences range from royalty to premiers.

This is her story, from her first performance, through later roles in major productions such as *Annie*, *La Bohème* and *The Sound of Music*, her decision at the age of eleven to busk for her lunch money, and the subsequent record deals, money, charity work and classical superstardom.
