David Ensminger

Mavericks of Sound: Conversations with Artists Who Shaped Indie and Roots Music David Ensminger
In *Mavericks of Sound: Conversations with the Artists Who Shaped Indie and Roots Music*, music scholar David Ensminger offers a collection of vivid and compelling interviews with legendary roots rock and indie artists who bucked mainstream trends and have remained resilient in the face of enormous shifts in the music world. As the success of the concerts at Austin City Limits have revealed, the fan bases and crowds for indie and roots music often blur and overlap. In *Mavericks of Sound*, Ensminger brings to light the highways and byways trod by these music icons over the course of their careers and the ways in which their music-making has been affected by, and influenced, the burgeoning indie and roots music movements.

Ranging from seminal modern singer-songwriters to rockabilly renegades and indie rockers, *Mavericks of Sound* features a set of broad, penetrating, and insightful conversations imbued with a sense of musical history and heritage. Ensminger captures firsthand accounts from singer songwriters like Texas Country musician Tom Russell and first wave indie artist and folk rocker Peter Case; rockabilly artists Junior Brown and the Reverend Horton Heat; American indie rock icons such as 11th Dream Day's Janet Bean, Pere Ubu's Dave Thomas, Apples in Stereo's Robert Schneider, and Swans members Michael Gira and Jarboe; English and New Zealand figures such as folk legend Richard Thompson, The Clean's David Kilgour and The Waterboys' Mike Scott; and folk, country and rock legends such as Merle Haggard, Ramblin' Jack Elliott, Ralph Stanley, Neko Case, and Yo La Tengo.

Mavericks of Sound is the perfect work for contemporary indie, roots, Americana, country, and folk music fans who want to understand the unique artistry and unbound passion behind America's musical innovators that readily broke and remolded rules.

From reader reviews:

Herman Nelson:

Book is written, printed, or created for everything. You can learn everything you want by a guide. Book has a different type. We all know that that book is important issue to bring us around the world. Alongside that you can your reading talent was fluently. A reserve Mavericks of Sound: Conversations with Artists Who Shaped Indie and Roots Music will make you to always be smarter. You can feel far more confidence if you can know about every little thing. But some of you think in which open or reading a new book make you bored. It's not make you fun. Why they can be thought like that? Have you trying to find best book or appropriate book with you?

Ashley Downs:

Your reading 6th sense will not betray an individual, why because this Mavericks of Sound: Conversations with Artists Who Shaped Indie and Roots Music publication written by well-known writer who knows well how to make book which might be understand by anyone who have read the book. Written within good manner for you, still dripping wet every ideas and writing skill only for eliminate your hunger then you still hesitation Mavericks of Sound: Conversations with Artists Who Shaped Indie and Roots Music as good book not only by the cover but also from the content. This is one book that can break don't assess book by its cover, so do you still needing an additional sixth sense to pick this!? Oh come on your examining sixth sense already alerted you so why you have to listening to one more sixth sense.

Ken Martin:

Is it a person who having spare time after that spend it whole day simply by watching television programs or just telling lies on the bed? Do you need something new? This Mavericks of Sound: Conversations with Artists Who Shaped Indie and Roots Music can be the respond to, oh how comes? A book you know. You are and so out of date, spending your spare time by reading in this completely new era is common not a nerd activity. So what these guides have than the others?

Wesley Baker:

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library in order to make summary for some publication, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that reading is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Mavericks of Sound: Conversations with Artists Who Shaped Indie and Roots Music can make you experience more interested to read.
