Reflecting on four-decade-long a career marked by wild social turbulence and remarkably creative and innovative ministry--including game-changing initiatives such as Youth Specialties and the *Wittenburg Door*--Wayne Rice turns his eye toward those who are to come. What does the future of youth require of the future of youth ministry? For three-dimensional people at the greatest cusp of change in their lives, set against a backdrop of a constantly changing world, it requires youth, parents, congregations and youth workers alike to undergird the activities of their ministry with a commitment to reality--to remember that the gospel is always, ultimately, a matter of a flesh-and-blood God pouring his life into his flesh-and-blood children.
