## **Beyond Religion: Ethics for a Whole World** H.H. Dalai Lama

“A book that brings people together on the firm grounds of shared values, reminding us why the Dalai Lama is still one of the most important religious figures in the world.” —*Huffington Post*, “Best Religious Books of 2011”

Ten years ago, in the best-selling *Ethics for a New Millennium*, His Holiness the Dalai Lama first proposed an approach to ethics based on universal rather than religious principles. With *Beyond Religion*, he returns to the conversation at his most outspoken, elaborating and deepening his vision for the nonreligious way—a path to lead an ethical, happy, and spiritual life. Transcending the religion wars, he outlines a system of ethics for our shared world, one that makes a stirring appeal for a deep appreciation of our common humanity, offering us all a road map for improving human life on individual, community, and global levels.

“Cogent and fresh . . . This ethical vision is needed as we face the global challenges of technological progress, peace, environmental destruction, greed, science, and educating future generations.” —*Spirituality & Practice*
