Vers La Lumiere (French Edition) Francisco Candido Xavier

Celui qui cherche à comprendre notre monde, ou souhaite savoir vers où va l'humanité, pourra trouver dans ce livre la réponse à quelques questions qu'il se pose. Les événements, les faits, les situations et les personnages les plus importants qui ont marqué notre évolution, à travers le temps, sont retracés ici et présentés dans un remarquable travail de synthèse historique. Les missions de certains Esprits comme ceux de Krishna, Bouddha, Abraham, Moïse, Fuxi, Confucius, Laozi, Solon, Socrate, Platon, Mahomet, les prophètes d'Israël, les apôtres, Paul de Tarse, François d'Assis, Luther et Allan Kardec, sont analysées à travers ces pages. Dans les quelques lignes de son introduction, Emmanuel révèle : « Devant nos yeux spirituels, les fantômes des civilisations mortes passent. [...] Passent les races et les générations, les langues et les peuples, les pays et les frontières, les sciences et les religions. [...] Seul Jésus n'est pas passé sur le pénible chemin des races [...], car Il est la lumière du principe et entre ses mains miséricordieuses reposent les destinées du monde ». Dans cette œuvre, l'auteur spirituel nous démontre que par déterminisme divin, nous avançons, inexorablement, Vers la lumière !
