Many of eastern Michigan's old boomtowns and sleepy villages are faded memories. Nature reclaimed the ruins of some while progress paved over the rest. Discover the stories of lost communities hidden in plain sight or just off the beaten track. The vanished religious colony of Ora Labora fell into a state of near-constant inebriation when beer became the only safe liquid to drink. Lake St. Clair swallowed up the unique currency of Belvidere along with the place that issued it. Abandoned towns still crumble within Detroit's city limits. Alan Naldrett delves into the fascinating history of eastern Michigan's lost settlements.
