More True Tales of the Paranormal: Ghosts, Poltergeists, Near-Death Experiences and Other Mysterious Events Kimberly Molto

This fascinating collection of true paranormal accounts written by a researcher and scientist documents the experiences people from all walks of life have had with the supernatural, covering a broad spectrum of mysterious events. It is written from a personal, analytical, philosophical, and scientific point of view.

The experiences range from phone calls from the dead and telekinesis to various forms of hauntings. These paranormal events, in whatever form they take, change the perspective of those involved on life, death, and reality. This important book also sets out to explore the possible meanings and purpose of such experiences as well as investigating various cultural and scientific explanations. What if this is all true? What meaning does it hold for us all? Would we live our lives differently if we knew the real truth behind the strange events described in this unique look at paranormal phenomena?
