Horror Panegyric begins with a penetrating essay by Keith Seward on the three Lord Horror novels produced by David Britton and Michael Butterworth, aka Savoy Books of Manchester, England. The first novel, Lord Horror, was the most recent work of literature after Last Exit to Brooklyn to be banned in England and obliged Britton to serve a term in Strangeways Prison. Savoy's "franchise of Lord Horror productions," Seward writes, "is provocative, original, visionary, and contains at least one outright masterpiece (Motherf*ckers). Young writers should be looking at it the same as they do Naked Lunch, i.e. as a work that shows them what the possibilities are in the hands of a master." "Lord Horror," Britton has said, "was so unique and radical, I expected to go to prison for it. I always thought that if you wrote a truly dangerous book -- something dangerous would happen to you. Which is one reason there are so few really dangerous books around. Publishers play at promoting dangerous books, whether they're Serpent's Tail or Penguin. All you get is a book vetted by committee, never anything radically imaginative or offensive that will take your f*cking head off. Ironically, I think it would do other authors a power of good if they had to account for their books by going to prison -- there are far too many bad books being published!" Following the essay are excerpts from the three difficult-to-find novels Lord Horror, Motherf*ckers: The Auschwitz of Oz, and Baptised in the Blood of Millions. Rounding out the volume is a timeline of Lord Horror productions that includes the novels, comic books, and recordings for which Savoy Books has earned its worldwide notoriety.
