Jonathan Raban

Passage to Juneau: A Sea and Its Meanings (Vintage Departures) Jonathan Raban

With the same rigorous observation (natural and social), invigorating stylishness, and encyclopedic learning that he brought to his National Book Award-winning **Bad Land**, Jonathan Raban conducts readers along the Inside Passage from Seattle to Juneau. The physical distance is 1,000 miles of difficult-and often treacherous-water, which Raban navigates solo in a 35-foot sailboat.

But **Passage to Juneau** also traverses a gulf of centuries and cultures: the immeasurable divide between the Northwest's Indians and its first European explorers-- between its embattled fishermen and loggers and its pampered new class. Along the way, Raban offers captivating discourses on art, philosophy, and navigation and an unsparing narrative of personal loss.

From the Trade Paperback edition.
