Swedish Details

Swedish Details

A home isn't simply the sum of its rooms and furniture, but also a number of larger or smaller details. To prove this, illustrator Annika Huett and photographer Ulf Huett Nilsson went on a journey from the north to the south of Sweden, peeking into people's homes. What they found was an inspiring myriad of personal details?from cramped shelves of kitchen cupboards, to toilet-paper holders, plants, outlets and coat hangers. The pair organized their book by rooms?kitchens, bedrooms, children's rooms, bathrooms and entryways?so it's easy to flip to a section to glean inspiration for one's own home decoration scheme. With a range of photos, from large landscapes capturing entire rooms, to small close-ups of the little knickknacks one might normally overlook, the volume establishes an aesthetic uniquely Swedish and welcoming in its personality and warmth. The details captured are neither new nor expensive, nor are they the fashion-inspired, cutting-edge design that has come to characterize some corners of Scandinavia. Instead, they are personal, homey and almost impossible to replicate?and it is these qualities that make this compilation such a quirky delight. In *Swedish Details*, Huett and Huett Nilsson not only shine a light on the smaller things, but also document the details that create the difference between a space and a home.

From reader reviews:

Frances Carlton:

Throughout other case, little people like to read book Swedish Details. You can choose the best book if you like reading a book. As long as we know about how is important the book Swedish Details. You can add knowledge and of course you can around the world with a book. Absolutely right, due to the fact from book you can recognize everything! From your country until finally foreign or abroad you will find yourself known. About simple factor until wonderful thing you could know that. In this era, we are able to open a book or maybe searching by internet unit. It is called e-book. You may use it when you feel bored stiff to go to the library. Let's examine.

Nicholas Poston:

Information is provisions for folks to get better life, information currently can get by anyone at everywhere. The information can be a information or any news even a problem. What people must be consider when those information which is in the former life are difficult to be find than now could be taking seriously which one works to believe or which one the resource are convinced. If you get the unstable resource then you understand it as your main information it will have huge disadvantage for you. All of those possibilities will not happen with you if you take Swedish Details as the daily resource information.

Kelly Mays:

Swedish Details can be one of your beginning books that are good idea. We recommend that straight away because this book has good vocabulary which could increase your knowledge in terminology, easy to understand, bit entertaining but nevertheless delivering the information. The article writer giving his/her effort that will put every word into enjoyment arrangement in writing Swedish Details but doesn't forget the main point, giving the reader the hottest and also based confirm resource facts that maybe you can be one among it. This great information may drawn you into fresh stage of crucial thinking.

Allison Larson:

Do you like reading a reserve? Confuse to looking for your selected book? Or your book has been rare? Why so many query for the book? But any people feel that they enjoy with regard to reading. Some people likes studying, not only science book but also novel and Swedish Details or perhaps others sources were given knowledge for you. After you know how the great a book, you feel want to read more and more. Science reserve was created for teacher or perhaps students especially. Those books are helping them to put their knowledge. In different case, beside science publication, any other book likes Swedish Details to make your spare time far more colorful. Many types of book like here.
