Among other things, Tim Hawkinson's art celebrates the process and materiality of the work itself. This limited edition manual-esque exhibition catalogue, designed by the prominent New York firm, Helicopter, LLC, seeks to reflect that interaction with special features like a tough, transparent plastic jacket that exposes the book's spiral binding, printed plastic section dividers, a pull-out text by the prominent Los Angeles novelist and film critic Steve Erickson, two posters, numerous gatefolds and a sound chip. Dramatic and typically unique, this volume explores the geography of bookmaking just as Hawkinson's artwork explores the geography of the human form.

Tim Hawkinson was born in San Francisco in 1960 and currently lives and works in Los Angeles. He has shown his work extensively for more than 25 years--recently at the J. Paul Getty Museum in Los Angeles.
