Benedicto XVI habla sobre cultura y sociedad (Libros Palabra) (Spanish Edition)

Benedicto XVI

Benedicto XVI habla sobre cultura y sociedad (Libros Palabra) (Spanish Edition) Benedicto XVI Benedicto XVI ha visitado durante su pontificado universidades y parlamentos. París, Berlín, Londres, Washington o Nueva York han sido algunos de los escenarios de sus discursos. Fue y ha querido seguir siendo siempre un universitario, un testigo directo y crítico de la sociedad y la cultura en que ha vivido. Temas como la razón y la modernidad, el lugar de la fe en la cultura y en la universidad, las relaciones Iglesia-Estado o el laicismo y la "laicidad positiva" son algunos de los abordados en estas páginas.

Se recogen en este libro siete de las intervenciones más relevantes de Benedicto XVI en foros culturales y políticos, que han sido considerados como puntos clave para enfocar el mensaje del Evangelio en relación con las grandes cuestiones que afectan a la cultura y a la sociedad, especialmente en nuestro tiempo. Varios especialistas universitarios comentan los aspectos más destacados de estos discursos como una ayuda al lector a profundizar en ellos, y a releer con mayor aprovechamiento estos textos verdaderamente clarividentes.
