Brazil and Argentina: From Jungle to Icebergs (Travelling Solo) (Volume 2) Ms Susan Rogers

This is the second book in the Travelling Solo series covering a fascinating journey to parts of Argentina and Brazil, including vibrant Buenos Aires, stunning Iguazu Falls, magnificent Patagonian glaciers and the captivating Amazon Jungle. In the first book, Vietnam: Journey of Unexpected Delights, the author, who thought she was joining a tour group, unintentionally found that she was travelling solo. What could have been a lonely and stressful holiday, turned out to be a magical experience, such that she specifically chose to travel alone through Argentina and Brazil. This delightful travelogue in its warm and engaging style, will not only inspire you to travel solo, but absorb you into the culture and experiences of South America. It is witty, informative colourful and insightful, both of the region and the solo traveller. It paints a vivid picture of the places visited and the people encountered along the way, in a frank and humorous manner. This is not a travel guide, although it would make a fine travel companion for anyone visiting the region.
