Lamin Michaels learned at his mother's knee the importance of chasing paper, so it's no surprise he gets into the drug game when he's just a teenager. When he meets Zion, a product of the New York City foster care and prison systems, Lamin knows he's met the perfect partner in crime. Together they build a huge narcotics empire.

Then Lamin falls hard for a beautiful girl named Lucky. Lucky makes Lamin realize there's more to life than cash and more cash. When Lamin goes legit with a career in the entertainment industry, Zion tries to keep their business going on both the street and the boardroom. It's not long before Zion becomes the target of a corruption scandal involving murder, extortion, and money laundering. Once the dirt is exposed, will Lamin and Zion be able to remain one step ahead, or will their paper-chasing days haunt them forever?
