Gris Grimly's Frankenstein: 3 Mary Shelley

"Grimly enlivens the prose while retaining its power to both frighten and engage sympathy for the monster-creator Victor Frankenstein. This is a richly morose nightmare of a book, a primer for young readers on the pleasures and dangers of decadent languidness."—*New York Times Book Review*

Gris Grimly's Frankenstein is a twisted, fresh, and utterly original full-length, full-color graphic-novel adaptation of Mary Shelley's original text, brought to life by acclaimed illustrator Gris Grimly. The first fully illustrated version to use the original 1818 text, this handsome volume is destined to capture the imagination of those new to the story as well as those who know it well.

New York Times bestselling illustrator Gris Grimly has long considered *Frankenstein* to be one of his chief inspirations. From the bones and flesh of the original, he has cut and stitched Mary Shelley's text to his own artwork, creating something entirely new: a stunningly original remix, both classic and contemporary, sinister and seductive, heart-stopping and heartbreaking.
