The Making of a Police State: The Socialist Agenda for America Steve Lawrence

From abortion to zoning "The Making of a Police State" is hard hitting and fast paced, exploring and uncovering many of the deceptions used to undermine the freedoms of America. With many personal examples and substantiated facts, you will see how this agenda affects your everyday lives. See how the elitists are infringing on the Bill of Rights and rewriting the meaning of the Constitution and the Declaration of Independence to adversely affect you. See who is attempting to control your property, how your children are being desensitized and indoctrinated into the socialist mindset and learn of local politicians techniques to grab power from the people. Your eyes will be opened to the "public safety", "for the children" and "junk science" argument in attempts to control you and your family. Read about the untruths of the environmentalists and the real reason behind the "green movement". Chapter 12 reveals the true face of evil which leads the charge in the anti-American movement. Learn of your rights and responsibilities in combating this far left movement.
