**The Tea Party Divided: The Hidden Diversity of a Maturing Movement: The Hidden Diversity of a Maturing Movement** Heath Brown

Unlike previous books on the Tea Party, this work looks at the second phase of party growth to show that what was once considered a monolithic movement is truly a collection of different opinions.

- Looks at the differences in Tea Party organizations around the country, including their funding sources
- Analyzes the political positions taken by party members and the voting records of congressional Tea Party legislators
- Shows the variations among Tea Party members, including regional, gender, and issue differences
- Analyzes Tea Party campaign spending and funding sources
- Offers predictions about the party's future
