The Tinker of Petros

Shelley Ballard

The Tinker of Petros Shelley Ballard

Book One in The Tinker Trilogy is an allegory reminiscent of the writings of J. R. R. Tolkien and C. S. Lewis. Shelley Ballard's debut novella will strike a chord in readers' hearts. The confrontation between Carl, the good tinker, and Clovis, the evil tinker, will sear into their minds for a long time. Readers will never forget how Clovis collects his fee. Or the surprising sacrifice Carl makes to free people's hearts from the clutches of the evil one. Every time readers touch the skin covering their own hearts they will remember. Scenes of betrayal and the consequences of that betrayal will flash before their eyes. And they will think about the forgiveness available to all who seek it. The Tinker of Petros is that powerful. And this is only where the adventure begins. It escalates in Book Two: The Tinker's Apprentice, and reaches a crescendo in the final book of the Tinker Trilogy: The Tinkers' War.
