We Got Him!: A Memoir of the Hunt and Capture of Saddam Hussein Steve Russell

From retired U.S. Army Lt. Col. Steve Russell comes a compelling firsthand account of the blow-by-blow plays of the actual raids that led to the capture of Saddam Hussein in 2003.

When U.S. forces exterminated Osama bin Laden in Pakistan on May 1, 2011, the world witnessed a brilliantly fruitful example of history repeating itself; less than a decade earlier, the capture of Saddam Hussein, a triumph of military strategy in and of itself, opened the door for the more recent and essential victory in the War on Terror.

At the center of the six-month manhunt were Lt. Col. Steve Russell and his men of the 1st Battalion, 22nd Infantry Regiment, 4th Infantry Division. With his extensive journal notes, combat reports, and painstaking research, Russell has preserved the story as only someone who lived the experience can do. His narrative chronicles the daily successes and dead ends, and describes, blow-by-blow, the actual raids that netted Saddam, culminating in the electrifying quote heard around the globe, "We Got Him!"
