**I Raise My Eyes to Say Yes** Ruth Sienkiewicz-Mercer, Steven B. Kaplan

Ruth Sienkiewicz-Mercer was born in 1950. She has never spoken a word; never walked, never fed herself, never combed her own hair. Trapped in a body that is functionally useless, her mind works perfectly. This is her story. Absorbing and heartbreaking, it was written with the collaboration of Ruth's friend, Steven Kaplan. Without any self pity Ruth recounts her early childhood with a loving family and some happy years at a rehabilitation center, then virtual incarceration at the notorious Belchertown State School in Massachusetts. After 16 years she was released and now she enjoys a life of purpose and personal triumph. **I Raise My Eyes to Say Yes** will permanently alter your perception of the severely disabled and it will inspire you with the extraordinary power of love, thought, and the human spirit.
