Judging Lincoln

Frank J. Williams

Judging Lincoln Frank J. Williams

Judging Lincoln collects nine of the most insightful essays on the topic of the sixteenth president written by Frank J. Williams, chief justice of the Rhode Island Supreme Court and one of the nation's leading authorities on Abraham Lincoln. For Judge Williams, Lincoln remains the central figure of the American experience—past, present, and future.

Williams begins with a survey of the interest in—and influence of—Lincoln both at home and abroad and then moves into an analysis of Lincoln's personal character with respect to his ability to foster relationships of equality among his intimates.

Williams then addresses Lincoln's leadership abilities during the span of his career, with particular emphasis on the Civil War. Next, he compares the qualities of Abraham Lincoln, Franklin Delano Roosevelt, and Winston Churchill. The final essay, cowritten with Mark E. Neely Jr., concerns collecting Lincoln artifacts as a means of preserving and fostering the Lincoln legacy.
