Question:

- * Do you feel shy and self-conscious in social situations?
- * Are you plagued with self-doubts about how you come across to others?
- * Do you feel physically sick with worry about certain situations that involve interacting with others?
- * Do you make excuses, or even lie to avoid the social situations you dread?
- * Do you make important decisions based on whether you'll have to participate in groups or speak in front of others?

If you answered yes to any of these questions, you're not alone. Millions of people experience social anxiety of painful shyness to such a degree that it disrupts their daily lives.
